

## Flex-Foot®

Flex-Foot® is a premium line of prosthetic feet manufactured by Össur. The feet are made from carbon fiber, which is known for its strength and flexibility. They come in four basic types: the authentic Flex-Foot®, the authentic Flex-Foot® with additional features, the Flex-Foot® for low impact only, and the Flex-Foot® for special use. Your prosthetist can help you determine which style of Flex-Foot® fits your personal needs.

- The authentic Flex-Foot® is for the high activity patient who walks at variable speeds and may also run and jump. The walking environment can range from level to hilly, to sandy to rocky and anywhere in between.
